

Press Release

Ariels VCNA Expands Competition Program to Fairlea Reserve Netball Complex

Melbourne, 03 June 2024 – Ariels VCNA, a proud supporter of netball in Victoria since 1930, in partnership with Netball Victoria and the City of Yarra, is thrilled to announce the expansion of its program to the newly constructed 8-court facility at Fairlea Reserve Netball Complex in Yarra Bend.

Starting in August 2024, Ariels VCNA will offer a variety of programs at Fairlea Reserve, including Woolworths NetSetGO, an U11s Academy, and a Fast5 social competition. Additionally, a new Saturday competition will kick off in February 2025.

“Our move to Fairlea Reserve marks a significant milestone for Ariels VCNA,” said Julieanne Le Nepveu, President. “We are committed to increasing participation in netball in and around the City of Yarra, providing more opportunities for girls, boys, men and women to engage in the sport.”

The Ariels VCNA Representative program will continue to operate from its longstanding home base at Maroondah Nets in Heathmont for the remainder of 2024 and 2025. Representative trials for the 2025 season will be conducted in October 2024 at Maroondah Nets.

To celebrate the launch of our new programs, we are hosting a Community Day on July 14. Starting at 10:00am this event will feature a "Come and Try" Woolworths NetSetGO session and a boys' netball clinic, followed by a Fast5 tournament. There will also be a jumping castle, BBQ, and face painting for all to enjoy.

To learn more about Ariels Netball @ Fairlea Reserve Netball Complex, to register for our Community Day sessions or our Term 3 programs, please visit us at arielsnetball.com.au/fairlea-reserve/

We look forward to welcoming the community to our programs and continuing our legacy of excellence in netball.
